by [MiaQc](#)

## Summary

Porn with a simple plot.

My name is Emylia and I'm a witch. I'm in a romantic relationship with Alice, also a witch. I'm worried about my significant other because Alice is interested in Darkness Magic.

They're both over 18.

My name is Emylia, I live in a fantasy world and I'm a witch. My hair is strawberry blond, and my eyes are green. I'm in a romantic relationship with Alice. She's a witch too. Her hair is a beautiful black and her blue eyes are wonderful.

I practice Earth magic. Alice practices Fire magic, but I'm worried about her. Alice is interested in Darkness Magic. It's a dangerous magic. The witches who practice it are all evil and it's their fault that we're persecuted. Many witches have been executed by the authorities and by ordinary people seeking justice.

On this autumn day, I find my beautiful Alice. Sitting on a large rock, she's in deep focus. Her eyes are closed, her mouth forms a perfect line, her face is relaxed. In her right hand is a fireball. It glows a powerful orange. The fireball suddenly turns purple and Alice smiles.

"I did it." She murmurs. "The flames of darkness are..."

"Alice, what are you doing?!" I exclaim.

She opens her divine eyes.

"Oh, Emylia, I'm so happy you're here. Look."

She holds out her right hand for me so that I can see the purple fireball.

"These are the flames of darkness. Do you know what this means?"

"Alice, my beautiful Alice, you must stop."

"Why? I can finally use Darkness Magic!"

Suddenly, the fireball turns orange again.

"SHIT!" Alice said angrily.

"Darkness Magic is dangerous and you know it!" I said to my love.

"You have to stop this madness! I don't want to lose you."

"Ohhhh, Emylia."

Alice makes her fireball disappear. She climbs down from the rock to join me and she kisses me. Her lips on mine make me want to melt.

"Don't worry, my love." She says to me, while running her fingers

through my hair. "I'm not going to become an evil witch."

"But..."

"Light cannot exist without darkness. Darkness itself isn't evil. I'm sure I can use its magic for good."

Alice kisses me again. I blush.

"If you say so, but I still have my doubts."

"Let's go home, beautiful Emylia, and I'll make your worries disappear."

By this she means making love to me. I blush more and feel my pussy getting hot.

"Alright." I say to my significant other. "Give me pleasure as soon as we get home."

We're going back home. We live in a small house in the countryside. It's simple and sparsely furnished, but we have a big, soft bed. As soon as Alice enters our room, she undresses while strip teasing. She shows me her big divine breasts, her beautiful nipples, her attractive ass, her stunning pussy. My pussy wants to get wet. I want my beautiful Alice so much. I undress in turn. Alice gets into bed and I follow her.

"So... where to begin?" Alice asks teasingly.

"By my pussy!" I say, pleadingly.

"Ohhh, not yet my sweet."

Alice kisses my neck. She bites it gently. I gasp with joy.

"We need to take our time." Alice says to me. "Your pussy can wait."

Alice places her lips on my left nipple. Her wonderful fingers play with my right nipple. I moan softly. Then she suckles my breasts, one at a time. I moan again.

"Ah~ Alice."

"Emylia, my Emylia ~." She said, after removing her mouth from my breast.

Then my love showers my belly with kisses. Her hands caress my

arms. Then Alice caresses my legs. My pussy gets wet.

"I cannot wait any longer! Alice, my love, put your fingers inside me!"

"With pleasure, my Emylia."

I cry out in pleasure as Alice puts a finger in my pussy. She circles it from the inside, wetting her finger. I moan unceasingly. Alice adds another finger then ram my G-spot.

"Ah~ Ah~ AH~, I... I'm going to cum!"

"YES~ Emylia, cum and forget your worries."

I cum quickly with an orgasm. My sweet Alice pulls her fingers out. I clean them for her.

"Thank you. Emylia, would you like me to clean you up?"

"YESSS~"

Alice wastes no time. Her divine tongue licks my crack and my pussy's inside gently. I moan and cry out, my body shaking with pleasure. I cum a second time. Alice seems to enjoy it as she continues to clean me. When she's finished, she rests beside me. I'm happy, ecstatic. I feel like I'm flying like a bird. My worries about my love are gone. I thank Alice and kiss her.

"Would you wet my pussy, beautiful Emylia? "

"Of course!"

My fingers immediately get to work. Alice moans with pleasure and I smile.
